

Grangers Netball Club

After requests from some parents we are pleased to have sourced a touchline jacket for you to purchase if you wish. The jacket is black, waterproof and windproof. It will have the club logo on the front, club name on the back and players initials as per all our other kit cost £70 for all sizes. Westoning Netball Club have the same ones in blue.

If you wish them to be presents please add your contact details so we can notify you when they arrive, instead of handing it to the player at training.

As with all our kit please check the sizing and ensure you order the correct size. Once the initial order is complete the touchline coat will appear on the main kit list. Please get your orders in asap to ensure they are here for Xmas, delivery is approx 2 weeks but could be longer. I will send the initial order off asap but certainly after training on Friday 25th November at the latest.
